The screenshot shows the website layout with several red boxes indicating banner positions and their dimensions:

- 470 x 60**: Located at the top right, above the main content area.
- 470(580) X 60(70)**: Located in the middle section, between the 'Umwelt' and 'Politik' columns.
- 300 X 250 bis zu einer Tiefe bis 600 px**: Located in the footer area, above the Amazon and Thalia logos.
- 470(580) X 60(70)**: Located in the footer area, above the calendar and metadata.
- 250 X 250**: Located in the footer area, below the metadata and above the copyright notice.

The website content includes a navigation bar (Startseite, Aktuelles, Impressum, Hintergründe), a main header with the title 'Umwelt+Energie-Report' and a subtitle 'Das unabhängige, kritische Netzmagazin'. The main content area features a large image of a water treatment plant with the headline 'Kläranlagen: Zig Milliarden Für Die Vierte Reinigungsstufe...?' and several smaller articles with images and headlines like 'Flucht aus Jamaika?', 'EU: Mehr Hybrid-Autos?', and 'Kurze Wege für den Klimaschutz'. The footer contains a calendar for January 2018, a list of keywords, metadata, and social media links.
